It is our pleasure to write about **Jay Savane** who has worked with **MWD** at the position of **Website Developer** from June 2<sup>nd</sup>, 2023 to September 11<sup>th</sup>, 2023.

He joined as an intern at the position of Web Developer but with his excellent performance and great problem-solving skills, he was offered a full-time responsibility as a Full-Stack Developer which entitled a lot more additional responsibilities that included training our new interns and helping with IT troubleshooting problems.

Moreover, we found Him active and competent in executing all assigned tasks. He is professionally sound, hard-working, and a devoted and motivated team member whose dedication in taking initiative and contribution for the realization of organizational goals and objectives has proven helpful in the advancement of our establishment repeatedly.

As I've told him before – Our doors will always be open for such a thoughtful and kind individual like him.

I have mentioned the projects that he has worked upon:

1. <https://quantecera.com/>
2. <https://drishtionline.com/>
3. <http://waterfrontpropertiesdubai.com/>
4. <https://inbac.org/>
5. <https://www.drjayacy.com/>

All of us wish him the best in his career path and future and would like to thank him for his excellent contribution.

Yours faithfully,

**Sonali Sawant**
